Foreword

The 1932 *Athenian* is the result of the earnest endeavor of the staff to record the events, activities, and achievements of our school life. If, in reviewing these pages in later years, you happily reflect on your days in Sherman High School, the efforts of the staff will have accomplished their purpose.

Dedication

IN appreciation of one who has made school in its every phase brighter and more enjoyable, we dedicate this, the fifteenth volume of *The Athenian*, to Miss Frank Ball Root. Her outstanding personality, her sympathetic understanding of student-faculty relationship, her willingness to co-operate with both the faculty and student body in all plans undertaken, and her strong sense of fair play have won for her the friendship and admiration of all. May her worth be more appreciated by this small dedicatory tribute.

MISS FRANK BALL ROOT

SHERMAN HIGH SCHOOL

The old stone steps, with the lion's head,
The trees and the old stone walls,
The love, and the laughter, and the life,
That we knew in those rugged halls,
Through all of your life in the after years,
Through tears, and through laughter too,
Your heart will expand with pride and pray—
"Sherman High—may God bless you."
The old stone steps may crumble down,
And the lion's head may rust,
And all the walls will tumble down,
The cornerstone may turn to dust,
Still wrinkled by Time, and Ages gray,
The thought will thrill, through and through,
You will lift your head and proudly say—
"Sherman High—may God bless you."

—Bruce Hannah.

A FACULTY FABLE

Once upon a time amid a loud BLAIR of trumpets there came two resounding KNOX on the portal of a rustic cabin, which was situated upon a high HILL;

FAR-be-LOW could be seen a beautiful VAIL.

But, to get back to the cabin door—the KNOX were made by a NOBLE knight, (who, by the way, very much resembled Mr. DAVIS, the senior class sponsor of our own Sherman High School).

"What Ho!" cried the knight. "Forsooth, shall I have to ROOT myself under this restraining portal?"

Since there was no response, he took his trusty SPEER and forced the door and proceeded into the rude shelter—

"CRIMM-inentlies!" cried he in a lusty voice (quite similar to those voices trained by Miss HENDERSON in public speaking). "I have soiled my snow white paws, so guess I'd better WASHAM."

So saying, he took down from a shelf an old oaken bucket, BROWN from much usage, and briskly stepped outside to the well, which was located near a small CRAB-apple-TREE. By means of a SHORT rope he lowered the bucket to the water.

But before the knight could return to his purpose, lo, he beheld a FOWLER approaching (Ha—we fooled you—he was **not** on horseback).

"Greetings and other s-lutations," cried the newcomer, "have you any knowledge of my whereabouts? I am not much of a WALKER and am much fatigued." (No wonder—the poor fellow had grown as hefty as our good friend Mr. REYNOLDS—Yea, even as much so as Mr. CULLERS.)

"Oh, SHAW," replied the knight, "surely in your youth you were not trained for athletics under Mr. DICKEY."

"No," answered the other, "all the training I received was the culture of my melodious voice under Miss ALTMAN'S direction in the Glee Club."

"A thousand pardons," begged the knight. "Come within and COOK some of the game you have there, and then we can turn our unknown host's radio and listen to Bing CROSBY croon some of his LOVE songs."

CLASS ACTIVITIES

The mid-term graduating class enjoyed many activities. Under the leadership of Miss Estelle Smith, the mid-term Senior Class made an excellent record, also.

On December 8, the class presented a three-act play entitled, "Have You Seen the Queen?" The play had a mystery plot with a college background.

The senior banquet was given at the Grayson Hotel on January 29. A very interesting program was given. Afterward, the class members were guests at a party at the home of Miss Lorene Casteel.

The baccalaureate sermon was held at the Key Memorial Methodist Church January 31. The sermon was delivered by Rev. Claude Johnson. A special number was given by the Choral Club.

The graduating exercises were given at the First Baptist Church February 1. Dr. H. E. Stout delivered the address. Miss Elizabeth Gordon was the valedictorian and Miss Lois Sosa, salutatorian. The Glee Club gave a special number.

SENIOR CLASS HISTORY

During its long-coveted regime as seniors, the class of '32 has accomplished enviable success. Under the capable leadership of John Burns, class president, we early received an incentive to rise to great heights. We have contributed greatly to all phases of school life throughout the year. In football, one of the captains, Charlie Duval, and many of the players hailed from our class. As a result, we proudly feel partly responsible for the Bearcats' successful season. In basketball and track, the senior class has also furnished its share of players.

In the organization of various clubs, preference for seniors as officers was manifested. Worthy of mention are: Harry Kolb, Hi-Y President; Doris Batsell, What Next Club and Dramatic Club President, and Marshall Elmore, Scholarship Club President.

The Hi-Talk this year was edited by Marshall Elmore. Jessie Mae Penn served as Editor-in-Chief of the Athenian. Rue Hestand acting in the capacity as Business Manager of the latter greatly aided in bringing about its financial success. With characteristic zeal, the seniors won the Beauty-Popularity Contest by astounding majorities.

Ours has been a pleasant year—one full of pleasant relationships with the faculty and students. May our posts awaiting us in the world be as pleasing as our sojourn in dear Sherman High is our sincerest wish.

JUNIOR CLASS HISTORY

Miss Clara Jo Brown, Sponsor.

OFFICERS

President ..... Franklin Morris
Vice-President ..... Robert Smith
Secretary and Treasurer ..... Martha Lou Vaughan
Executive Council Representative ..... George Smith

It is with justifiable pride that the Junior Class claims distinction for the unusual representation in the activities of the school. In many phases of high school life, the class of '33 has taken a prominent part. It is possible to indicate only a few of the many high spots of Junior activities.

In the Scholarship Society, the class is favorably represented with about one-third percent of active Scholarship members. The Pep Squad roll for the current year was well sprinkled with names from the Junior Class, and three of the four "pep" leaders were Juniors. The class ranked a close second place in the annual popularity contest, sponsored by the "Athenian" staff.

The Glee Club with over half Junior membership, the Choral Club, and the debating teams stand witness to the outstanding work of the Juniors. In these varied interests, and in dramatics, too, the class claims recognition. The annual Junior program was made up of three one-act plays and choruses by the Glee Club.

No less important aspect of class prominence is found in their athletic activity. In football, basketball, track, and in tennis, members of the class were outstanding.

Our class is proud of its record and of the individuals who made this record; and it is with great expectation that it looks forward to its last year of association with Sherman High School.

Last year everyone was amazed at the enthusiasm which was exhibited by the Freshman Class. Under the leadership of Mrs. Porter Travis we accomplished much of which we were proud.

This year we entered as sophomores and felt our importance more than ever (as all sophomores are supposed to). Soon after school started we held our first class meeting. With Mrs. Washam as sponsor, we chose the following officers: Tory Thompson, president; Joe Hight, vice-president, and Frances Brown, secretary.

We are very proud of our sophomore home rooms. Throughout the football season they have stood behind "our Bearcats." More stickers were issued by sophomore groups than by any other class, and we feel justly proud. Also, or moreover, the sophomores rank high in scholarship. Twice sophomore home rooms have had the highest average. One of the members of the class has one of the highest averages in the school.

The sophomores have supported almost every extra-curricular activity. Several sophomores were on the football team and came through with the goods in great style. We are very proud of our class president and Linda Wharton, who are sure to be on the debating team. Rebecca Sterling is the only veteran player on the girls' tennis squad and we feel certain that she will bring honor to the school by her tennis playing. The sophomores have supported the Hi-Talk and the Athenian; also the sophomore issue of the Hi-Talk was one of the best of the year.

Mrs. Washam has proved to be an excellent sponsor and before the year is up we expect to accomplish many things under her leadership.

To Sherman High and the class of 1934!

—Betty Moore, '34.

ALL OF US?

You can always tell a Senior by
His sophisticated ways and such;
And you can know a Junior
By his importance and his bluff;
A Sophomore you can tell—
But you can not tell him much;
And you can—well—just tell—
A Freshman.

FRESHMAN CLASS HISTORY

Mrs. Porter Travis, Class Sponsor.

OFFICERS

President ..... Mary Gail Wilbanks
Secretary ..... Ted Wheeler
Treasurer ..... C. S. Edmiston
Executive Council Representative ..... Roy Jones

The Freshman Class of Sherman High School held their first class meeting two weeks after the beginning of school. This class was the largest, having an enrollment of three hundred and forty-five. We elected the following officers: Mary Gail Wilbanks, president; Ted Wheeler, secretary; C. S. Edmiston, treasurer; Roy Jones, representative to the Executive Council.

Our sponsor was Mrs. Porter Travis, to whom we wish to express our appreciation for her interest and kindness.

The freshmen were represented in almost every organization. We had representatives in the Choral Club, Pep Squad, Band, and Honor Society. We had one girl on the basketball team and one boy on the Bearkitten team. We also had two debaters and several spellers, who expect to win a place in the interscholastic meet. One member of our class won a fifty-dollar prize in a national Mark Twain contest. We are proud of Bernie Piner for this honor and others that she received recently.

One of the outstanding achievements of the class was the Hi-Talk which was a literary and financial success. It was dedicated to our beloved principal, Mr. Speer. We also put out attractive Bearcat stickers for the championship football game.

In the popularity contest we had six splendid representatives; and even if we didn't win, we were proud of the showing they made.

The freshmen wished to show their love and loyalty to their high school, so we decided to leave something as a reminder of our presence. It has not yet been fully decided just what this gift will be.

With real meaning of the spirit of old Sherman High in our hearts, we Freshmen pledge our loyalty and support for the next three years, anticipating many happy associations and experiences.

—Chic Moody, '35.

Top Row—Jessie Mae Penn, Editor-in-Chief; Margaret Binkley, assistant Editor; Erline Fields, assistant Editor; Rue Hestand, Business Manager; Lonzo Lawrence, Senior assistant to Business Manager; Alan Blount, Senior assistant to Business Manager; Robert McKelvain, Junior assistant to Business Manager.

The Athenian staff has earnestly attempted to compile a yearbook that reflects completely all fields of activity in the high school during the year. The success which has been gained from our efforts toward this purpose, we, the staff, sincerely believe is due to the capable, understanding assistance of our sponsor, whose patience has helped the staff during the many trying circumstances which naturally arise in the work.

Under the management of the Business Staff, the Beauty-Popularity Contest aroused unusual interest this year. Purchase of annuals, as heretofore, enabled one to vote for his "favorites." As a result, finances were greatly aided.

The entire staff has found the work of compliing and publishing this annual interesting and enjoyable. May our efforts not have been in vain!

THE HI-TALK

Miss Estelle Smith and Mr. A. L. Walker, Sponsors.

Top Row—Marshall Elmore, Editor-in-Chief; Nell Welch, Associate Editor; Virginia Welch, Literary Editor; Dawne Ramsey, Society Editor; Monett Smith, Joke Editor; Ona Mae Ricketts, Feature Editor; Harry Kolb, Boys' Sport Editor; Elizabeth Stephens, Girls' Sport Editor.

Under competent direction of its two sponsors, the Hi-Talk staff has endeavored to publish a paper representative of the school. Efforts have been made to improve each issue, both by news and feature articles. The staff deserves credit for the work it has accomplished.

This year a supplementary publication, The Catspaw, has been created as a variety. During special occasions throughout the year, editions of this new publication have helped to stimulate interest. Of special importance was the one edited by the Mid-Term graduates .

The school paper well takes care of the lack of a course in journalism in the curriculum. It has helped many of the students interested in this field of work.

The band is one of the most important organizations in Sherman High School. It has been the principal means of inspiring pep in the student body during pep meetings and at all the football and basketball games. At the games and on the important out-of-town trips the special feature numbers of the band have met with much favor. The band also cooperated with the girls' pep squad in their many field formations which were features at all the football games.

With many veteran members, the Bearcat Band is one of the best high school bands in Texas, and to them and their splendid director, Mr. C. C. Shell, the whole school expresses gratitude and offers praise.

As well as giving entertainment to others, the girls themselves have enjoyed their work and have received much valuable instruction in group singing.

At the state high school music meet held in Denton, March 19, in the auditorium of the College of Industrial Arts, the girls' choral club of Sherman High School won third place in the class B group. There were seven entries in the group in which Sherman competed. First place was won by Highland Park, Dallas, and Brownwood won second. The purpose of the Dramatic Club is to develop a worthy use of leisure time and to serve the school by contributing proceeds to school needs.

At the meetings held twice a month the members took up their study through a series of talks made by outsiders. Mrs. Batsell, director of the Sherman Little Theatre, was the frist speaker on the series.

Several chapel performances were given by the club during the year and the annual night performance was presented this spring. Needless to say, all these performances met with much approval from the school. Other projects of this year included entering a contest play and starting a Costume Box for the school.

In the district tournament of plays held at Paris on March 19, Sherman High School won second place, using for a vehicle, "God Winks." Dramatic groups from Paris, Bonham, Sherman, and Whitewright were entered. Bonham won first place with Shaw's "Man of Destiny." Ramon Travis of the Sherman group tied for first place in individual acting honors. This club was first organized for those interested in science, but since has been limited to those taking courses of scientific nature. It was designed primarily to reveal to those who take science commonplace occurrences of the most complex and significant character.

Meetings were held bi-weekly on Wednesday. A program committee would arrange for different members to demonstrate certain scientific phenomena, puzzles, and oddities which were not only amusing but were also of great educational value. Occasionally local scientists would lecture to the members on subjects pertaining to science which were both entertaining and beneficial.

This year there seemed to be an increased interest in this club and the membership was the largest since its founding.

Both last year and this year twenty members secured credit for the work they did in the club, and to Mr. Walker, the sponsor, much credit and praise is due for his valulable guidance.

DEBATE

Mr. Byron Davis, Coach.

Top Row—Howell Hight, Tory Thompson, Alan Blount, Linda Wharton.

Bottom Row—Franklin Morris, Marie Hefton, George Smith, Mamie Snodgrass, Mr. Davis.

Due to the fact that all four members of the debate teams, both boys' and girls' who won the state championship last year, graduated last spring, this year there has been inexperienced material with which to work. However, the debate teams have had a very successful year, judging from the results of the preliminary debates participated in before the county meet.

Before the county meet the boys debated with teams from North Side of Fort Worth, Garland, North Dallas, Bowie, Greenville, Sanger, Pilot Point, McKinney, Temple, Masonic Home, Polytechnic, and Central of Fort Worth. Of these, the boys lost only two decisions.

The girls likewise participated in a number of debates this year. They met teams from Greenville, Bowie, Sanger, Pilot Point, Highland Park, North Dallas, North Side of Fort Worth, McKinney, Masonic Home, and Garland.

BOTH TEAMS DISTRICT WINNERS

After winning county honors by defeating both of the Denison teams teams of Sherman High proved their superiority in district 5 competition by winning the district titles at Paris.

George Smith and Franklin Morris, composing the boys' team, participated in debates with teams from Mt. Vernon, Bonham and Van Alstyne to win the district honors. The girls' team, composed of Linda Wharton and Tory Thompson, competed with teams from Detroit, Whitewright, and Brookston to also win for themselves the district title. With this good start, we feel confident that both teams will go far in the state race this year. The school is indeed proud of these debaters and their hard working coach, Mr. Byron Davis.

The privilege of being a monitor is greatly appreciated by those who are chosen for that work.

There is another group of students who greatly assist the office secretaries by working a period each day in the office. It is their duty to collect absence slips, help check the absentees, and run any necessary errands from the office.

COACHING STAFF

Mr. Verde Dickey ..... Head Coach
Mr. George Blair ..... Assistant Coach
Mr. F. H. Fowler ..... Bearkitten, Track Coach
Mr. A. L. Walker ..... Business Manager Athletics

This year we are prouder than ever of our splendid coaching staff. The result of their sacrificial, unselfish, untiring work with the Bearcats for the past three years has been most gratifying to us all. The attainments this year in football and basketball were not just luck. They were the direct result of the efforts of the coaches and their loyal, hard-working teams. It can be said with pride that these men are not only our coaches but our friends as well.

To Coaches Dickey and Blair we owe the praise for our district championship football team, which was composed of outstanding star players, many of whom were mentioned by various sports writers for even higher individual honors. Many of the future college stars in Texas will look back on these coaches as their inspiration and directors of their high school football careers.

For the county basketball championship, too, we are indebted to these fine coaches, who worked up a fast, aggressive quintet from a few old players and several rather raw recruits. This combination which was not especially promising at first, developed into the basketball champions of Grayson County and one of the strongest contenders in the district race.

Coach Fowler has been with us for several years as Coach of the Bearkittens in football and as our track coach. With his direction the Bearkittens always enjoy a good season, and the track team always walks away with practically all the events in the County Meet, most of the events in the District Meet, and some State places, also. As well as being a track star himself, Mr. Fowler can be called a splendid productive coach.

Carrying on the second year as Business Manager of Athletics in Sherman High School, Mr. Walker deserves praise for the financial success of the season. Through his careful direction and management the athletics have been on a paying basis all year. Mr. Walker is the type of person who is "all business" when it comes to our Bearcats and the good of the school.

J. O. Hall | Martha Lou Vaughn | James Justice | Pauline Freeman

PEP LEADERS

J. O. Hall was well chosen as one of the new yell leaders at the beginning of football season. Although a novice at the beginning of the year, because of his ability, enthusiasm, and assistance, he proved his dependability and usefulness in every phase of the work. His associate yell leaders, as well as the Pep Squad and its sponsors and the student body, appreciate all his efforts.

Martha Lou Vaughn again displayed her influence, leadership, and personality as one of the veteran pep leaders. Her outstanding ability as a leader, her unparalleled spontaneity, and her contagious pep are responsible for her enthusiastic, active leading of yells. Her popularity and her influence on the whole student body causes everyone to respond heartily to her pleas, "EVERYBODY YELL!"

James Justice, although an upper classman, was chosen as a yell leader for the first time this year. He is a spectacular leader, and because of his own pep and interest helps instill the spirit into others. James filled his position well, and deserves much credit for the success of the yells and loyal spirit of the rooters.

Pauline Freeman served her second year as a pep leader, and her past experience was of great value to her. She was outstanding for her endurance, her ability to co-operate as well as direct, and her thorough knowledge of the necessity for continued loyalty to the Bearcats and encouragement for them on the field.

To all four of the yell leaders the student body is indebted for their tireless efforts to encourage the teams, pep up the spectators, and promote friendship and respect for the opposing contestants. This year our pep leaders have lived up to our fullest expectations.

THE PEP SQUAD

The Pep Squad really lived up to its name this year. As well as being especially important as a spirit generating group for the student body, the organization was one of the features of the football games.

As a result of the long, hard hours of practice and drill, the Pep Squad put on some of the prettiest formations and stunts ever featured on a Sherman football field, according to local fans who attended the games.

In appreciation of the support and backing which the Pep Squad gave all athletic contests during the year, the boys' "S" Association entertained the members of the Pep Squad, the sponsors, and the pep leaders with a weiner roast on March 17.

SPONSORS

Mrs. Vera Vaden.....Sponsor of Pep Squad

Martha Lou Vaughn .....**Bearcat Sponsor**

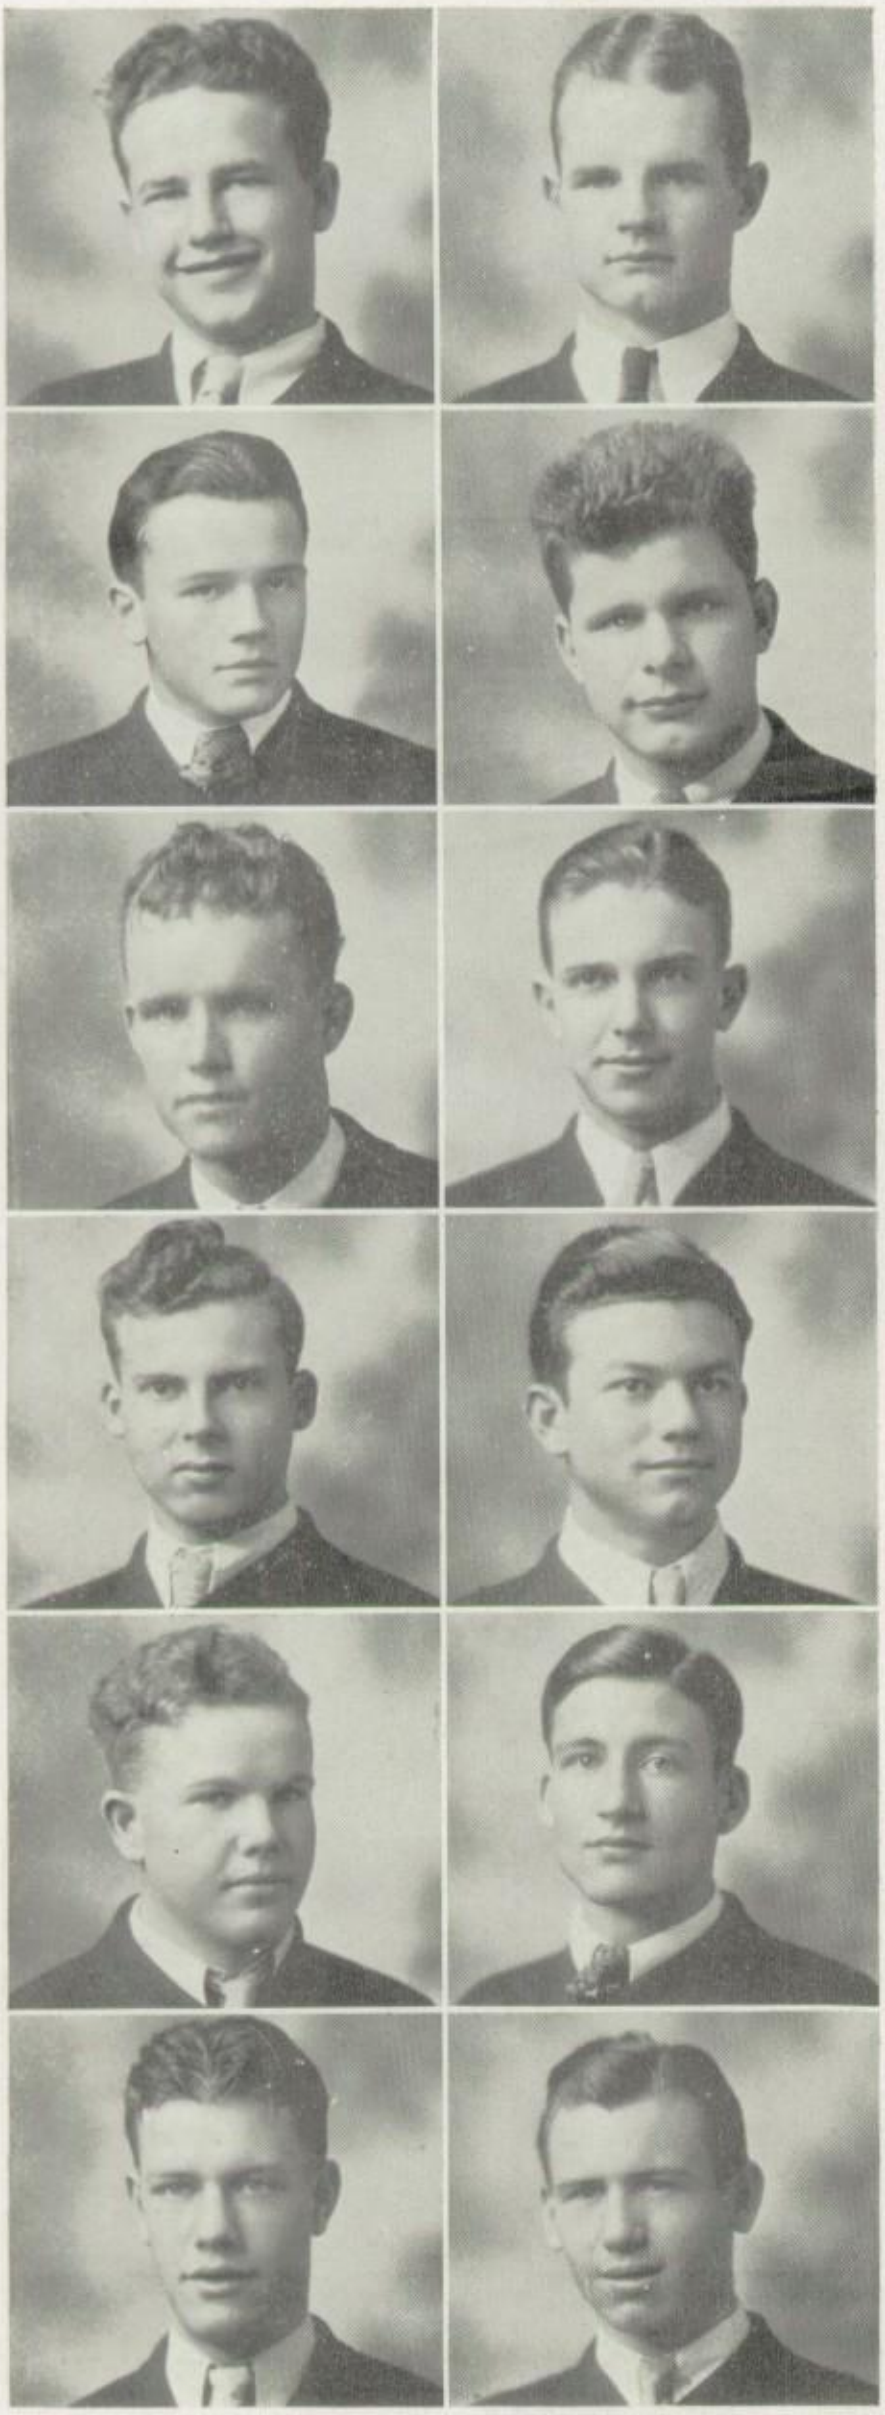
Miss Frank Ball Root.....Assistant Sponsor of Pep Squad

Mrs. Vaden served her first year, officially, as pep sponsor in directing the Pep Squad in 1931-32. Ever since she began teaching in Sherman High School her interest in athletics and her enthusiastic support of all athletic activities have won her the well deserved admiration and friendship of the students as well as of the players themselves. Her work with the girls resulted in a splendid effort on the part of each member of the organization, which, in turn, resulted in an effective Pep Squad.

Martha Lou Vaughn, who once became quite embarrassed in chapel at being referred to as the "Sweetheart of the School," will have to blush again at our mentioning that fact. Because of Martha's wholehearted interest in every phase of school life, her absolute sincerity, and her thorough cooperation in every respect, she has rightfully earned the title of "good sport" by which she is known. Since her primary interest in school life has been in athletics, and since she is truly representative of fairness, sincerity, wholesomeness, and honest endeavor, it is easy to see why the football team chose her for their sponsor for the 1931 season.

Miss Root, the other sponsor of the Pep Squad, has always had for her motto "Root for the Bearcats!" Because of this fact, it is no small wonder that her enthusiasm for athletics was shown in her desire to help the Pep Squad support the teams in every way possible. Miss Root's former experience with pep organizations and stunt planning made her a valuable asset in helping to plan drills and formations. This ability and her willingness to cooperate in every way were of very great value.

FOOTBALL LETTERMEN



CAPTAIN CHARLES DUVAL---Quarterback

"Charlie" made all-district and was mentioned for all-state this year, and because of his ability and popularity, he was re-elected co-captain for 1932.

CAPTAIN LELMER REYNOLDS

"Lel" served well this year at both end and fullback and proved himself a capable captain. He also made the all-district team and was mentioned for all-state.

JACK SANDELL---Fullback

Jack's ability as a defensive man helped the Bearcats to go as far in the race as they did this year. He won his third letter this year.

RALPH HUGHES---Guard

"Nigger" was the best guard in the conference and could not be kept off the all-district team. Beause of his popularity he was elected co-captain for 1932.

CLIFFORD DANIEL--Guard

"Tip" was hard luck boy of the club. The age rule forced him to disband his career as a football star at the first of the season. This was a great loss to Sherman.

BILLY COX--Halfback

Billy upheld his well-earned reputation as a football star until a knee injury forced him from the line-up.

NORMAN COX--End

"Duber" proved himself an able wingman and consequently earned his "S" sweater. We are sorry he will not be back next year.

LYNN McCRAW

Lynn was unheard of as a football man until he proved himself a sterling tackle. His services will be sorely missed next fall.

BILL ORR--Guard

"Scrapiron" proved that the lack of height couldn't keep a good man down. He made his first letter and will be back next year.

DOC HUNTER--End

Doc was another to earn a sweater for the first time. He was a hard tackler and an accurate pass receiver. He should be on all-district next season.

WILSON McCONNELL--Halfback

"Hog" earned his first letter this year. By his shiftiness and speed he rendered the Bearcats a great service. We hope he will have a big season next year.

JACK SPEAR--Halfback

"Half-pint" Jack earned his first and last letter. He was late to join the team, but because of his ability and speed, he proved himself worthy of a position on the club.

FOOTBALL LETTERMEN

EDWIN BELDEN---Tackle

"Teeter" played a slashing tackle game for his second and last year with the Bearcats. His ability to diagnose opponents' plays earned him a berth on the all-district team.

JACK SILMAN—Tackle

"Sal" earned his second and last letter this year. He was a fighter from head to foot and liked to hit 'em and make 'em like it.

ORVIA CHASTAIN—Center

"Chas" kept up the old tradition of being placed on the all-district team. He was branded as the best defensive man against passes in the conference.

JOE DAVIS—Quarterback

"Stinky's" ability as a quarterback, and his speed and shiftiness as a ball toter won him his first letter and recognition as a dependable player.

LEONARD WAY—Guard

Although it was "Milkie's" first year, he performed like a veteran and was a terror in the forward wall. He will be back next year.

JOE LINXWILER—Halfback

Joe earned his first letter this year and because of his ability to pass and carry the pigskin as well, he was placed on all-district team.

HAROLD VICK—End

Vick is a good end and proved a very valuable man for Sherman High by making all-district. We are sorry that he cannot be with us next year.

RUSSELL McLANE—Fullback

"Mack" won his first letter this year. His hard plunging and blocking was always dreaded by opponents. He will be back next year.

KERMIT BOAZ—End

"Ducky Wucky" made his first letter. He was a hard worker and always dependable. He was a good defensive man as well as a pass receiver.

MAURICE HARPER—Center

Maurice is a good defensive man, and a main factor on the offense. He earned his first letter this year, but it should not be his last.

WAYNE ATKINS—Manager

"Zeke" earned his well-deserved letter by rendering his untiring services to the club. Because of his promptness everything was kept in the neatest order.

MR. VERDE DICKEY,

Head Athletic Coach.

1931 GRID GAMES

Sherman 31, Kingston 7

The Sherman High Bearcats opened their season with a bang in their initial nocturnal tilt with Kingston, Okla., proving they had the power and punch necessary for a championship team. The Bearcats played well and gained consistently through the weaker Kingston line. The visitors' only touchdown, which came in the last quarter, resulted from a bad bouncing kickoff which was covered back of Sherman's goal line.

Sherman 12, Oak Cliff 18

Although the Sherman High Bearcats were defeated in their second game under the lights by Oak Cliff Leopards, the game was a moral victory for the locals as was proved by the number of first downs (12-8). The Leopards unleashed a beautiful aerial attack which accounted for their three touchdowns. The Bearcats punctured the visitors' line at will, but the locals' deficiency in pass defense cost them the game.

Sherman 0, Forest 19

The Sherman High Bearcats journeyed to Dallas to play Forest High in their frist game in the daylight with hopes of beating their second Dallas opponent. These hopes were crumpled as can be seen by the score, with Forest taking off all the honors. This was just the Bearcats' off day, for nothing would work. A good sized crowd of Bearcat supporters attended the game at the Fair Park Stadium.

Sherman 6, Highland Park 13

The Highland Park Highlanders came to Sherman expecting an easy victory as a result of the Bearcats' poor showing at Dallas, but they were satisfied to escape with a seven point margin. The visitors' touchdown came first as a result of a line plunge, the Bearcats' marker derived from a line drive to the two-yard line, and then a short pass tied the score until the last three minutes of play, when a Highlander pulled the game out of the hole by getting away for a touchdown from midfield.

Sherman 12, Gainesville 0 (Conference)

The Bearcats opened their conference season by drubbing Gainesville 12-0. The Bearcats' showing should have been much greater, as they were in scoring distance several times, but failed to have the punch to put it over. Their passes worked, and gains through the line were consistent. The Sherman line showed up well, as also did the backfield.

Sherman 7, Polytechnic 0

This game was a fight from start to finish and both teams were fairly evenly matched. No gains could be gotten through the line, so both teams took to the air. The Bearcats' score came in the second quarter when Reynolds snatched a short pass from Linxwiler and sprinted the remaining distance for the marker. Sandell converted for point. The Bearcats surprised the fans by uncovering a brilliant pass defense which had been hidden previously. This game ended the last contest under the lights.

Sherman 21, Denton 0 (Conference)

This was the Bearcats' second conference victory and offered many thrills for everyone, especially when our first touchdown came as Chastain intercepted a Bronc pass. The Bearcats' defense was outstanding, and their offense worked consistently through the left side of the line. Denton took to the air at the last, but to no avail. The Bearcats' other two touchdowns came in the last two minutes of play with mostly substitutes on the field; an end run by Spears netted one, and a pass from Duval to Vick chalked up the other. All attempts for extra points were successful.

Sherman 18, Denison 2 (Conference)

This crucial battle between the two rivals spelled victory for the Bearcats in a hard-fought game which was viewed by an over-packed grandstand. The Yellow Jackets invaded Sherman with hopes of winning, but this hope died hard as they met a far superior team which had them outclassed in every phase of the game. The Bearcats' score came from two line plunges and one long run, while the Denison safety resulted from an attempted run which was stopped back of our goal line.

Sherman 13, McKinney 6 (Conference)

The Sherman Bearcats played their hardest battle at McKinney in the mud, and came from behind to win a district championship, the first since 1927. On the second play of the game, an attempted pass resulted in an interception and a touchdown for the Lions. Not much could be done in the air, and only straight line plays were successful. The Bearcats were held scoreless until the fourth quarter when finally an end run netted a touchdown. Later in the quarter the boys pulled off their shoes because of the excess weight, and immediately one of the barefooted gridsters intercepted a pass and galloped for the winning marker. Try for extra point was successful.

Sherman 0, Greenville 20 (Bi-District)

Sherman invaded Greenville for the bi-district clash considered greatly the under-dog because of their much lighter team. The Bearcats outplayed the Lions the first half, keeping them backed up to their own goal practically the whole period, and at that time it was thought that it would be anybody's ball game, but this idea was suddenly dispelled when a pass netted Greenville's first touchdown. After this Sherman's passes would not work, and neither could any gains be made through the line, while our opponents gained at will, making their scores by passes and plunges. There is one good point about the game in favor of the Bearcats, however, and that is our punter had the greater edge on theirs by outkicking him considerably.

Bottom Row—Lane, Calhoun, Kincaid, Nelson, Sewell, Mitchell, Phillips, Ivy, Davis.

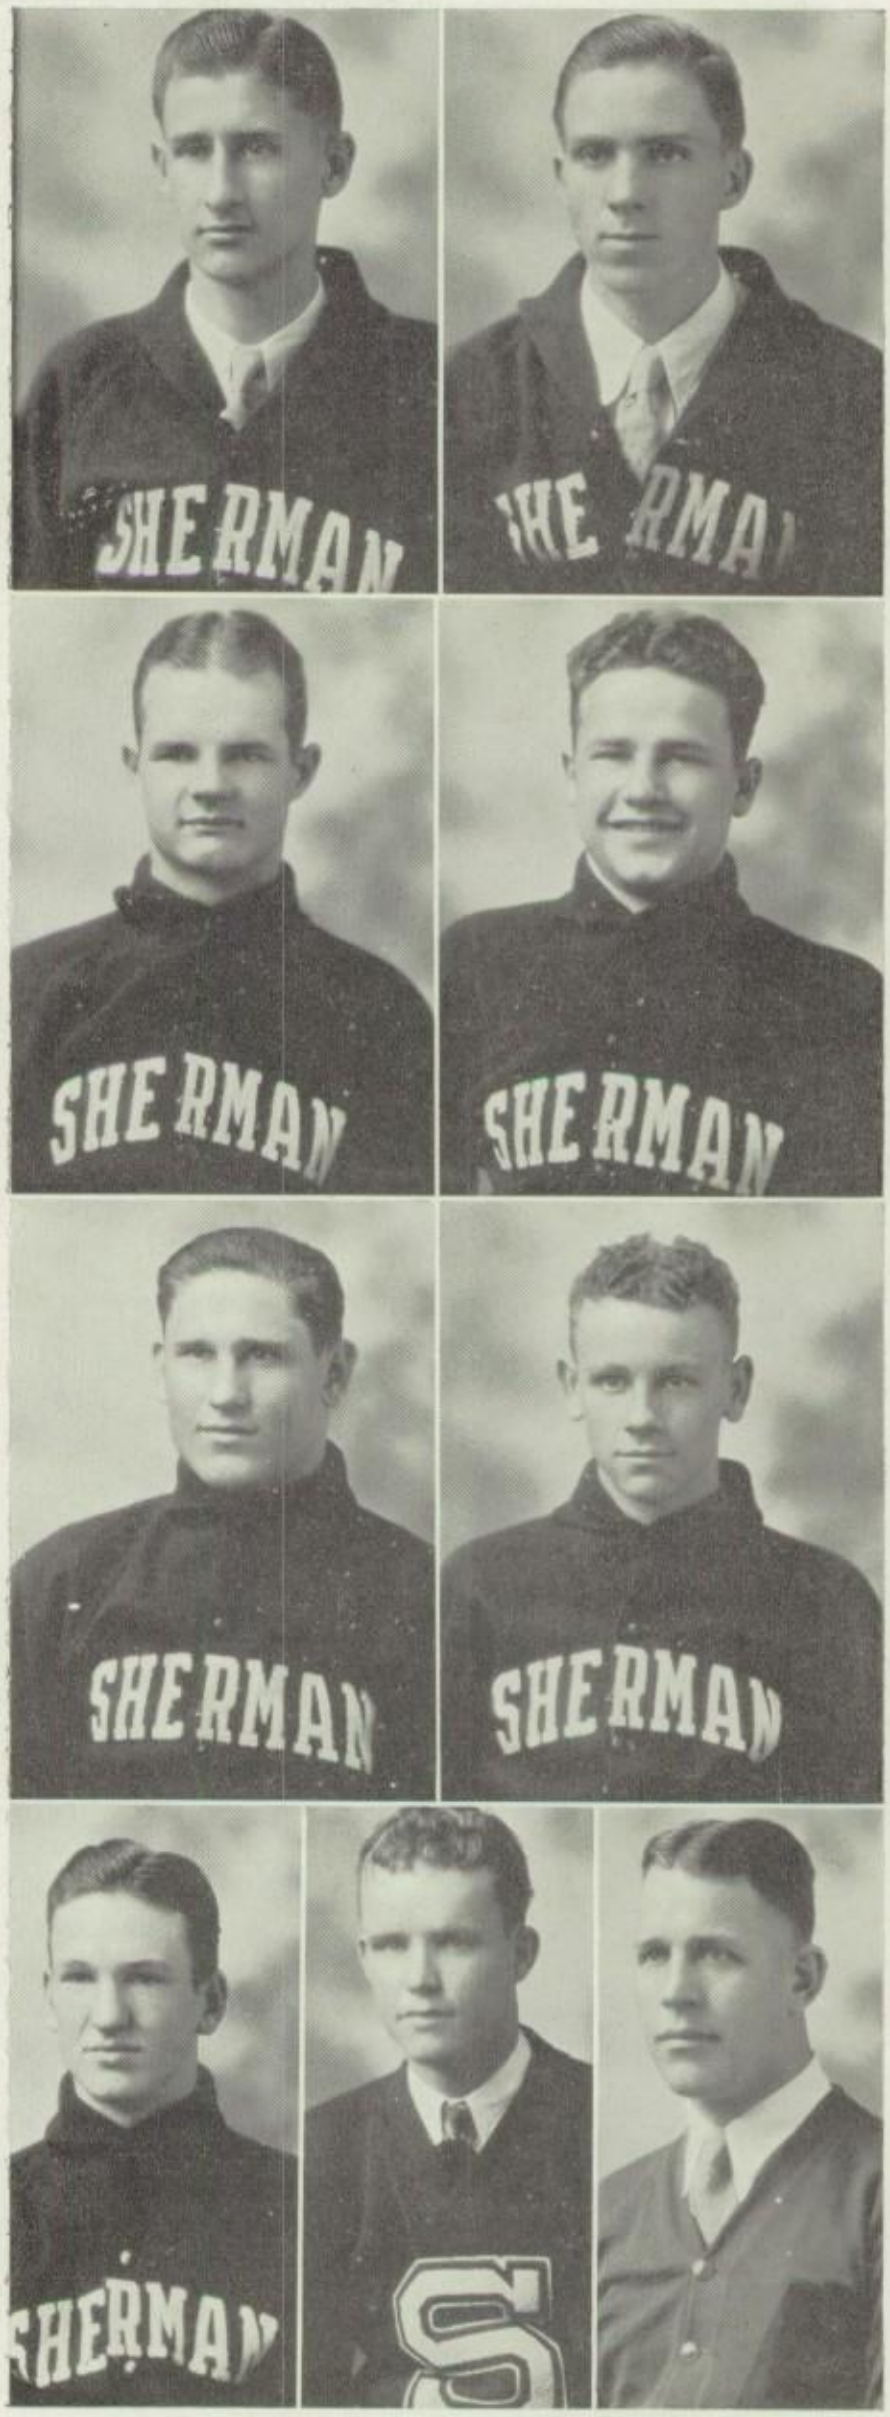
DISTRICT CHAMPIONS

A splendid group of boys responded to the early fall call for football training. The number this year far exceeded the enrollment of any late preceding years.

Because there was such a large squad, there was a lot of good material to shape into a splendid team—and that is just what our coaches did. In addition, having our own new field and playing a number of games at night under the powerful floodlights were both a drawing card for the spectators.

Because of the strong support of the students and local fans coupled with the instruction of their coaches and their own efforts, the Bearcats were a team that could not be even slowed up until the bi-district contest at Greenville.

BASKETBALL LETTERMEN



CAPTAIN ORVIA CHASTAIN—Guard

"Chas" was a great captain; he was outstanding in every game, both on offense and defense. His leadership and co-operation will be sorely missed next year.

HAROLD VICK—Guard

"Zeke" ended a successful high school career by making his third letter. His tight defense ability enabled the Bearcats to win county honors. Best luck in college!

LELMER REYNOLDS—Center

"Lel" came through in great style to earn his second letter. This big tip-off man proved his value by out-jumping every opponent. We know he will star again next year.

CHARLES DUVAL—Guard and Forward

Charlie earned his second letter by playing a spectacular game at both guard and forward positions. His long shots were a thrilling sight. He is expected to shine again next season.

KERMIT BOAZ--Center

"Ducky Wucky" was a dependable player. His ability to hit the basket and follow up shots of other players won him his first letter but we predict not his last one.

T. J. PATTON—Forward

"Fuzzy" earned his first letter this year by his agility, speed, and marked ability in hitting the basket. This "half-pint" will be a main feature next year.

BILL ARNOLD—Forward

"Red's" keen eye for the basket and his snappy shooting did much for tha Bearcat cause. With this year's valuable experience, he should be a sterling player next season.

CLIFFORD DANIEL

As student manager, "Tip" had no equal. His promptness and attention to detail were a great service to the team and were highly appreciated by the boys and the coaches.

MR. GEORGE BLAIR

Assistant Athletic Coach

BOYS' BASKETBALL GAMES

SHERMAN 17—DURANT 18

The Bearcats opened their season by showing an excellent exhibition of basketball for an early season game. Many thrills were to be seen, but the Bearcats, fighting hard, lost by one point.

SHERMAN 17—DURANT 16

The Bearcats fought a furious battle against the Lions at Durant to nose them out by one point. Both teams battled on even terms the whole game.

SHERMAN 16—NORTH DALLAS 10

The fighting Bearcats hit their stride by clearly outplaying North Dallas. Although the Dallas Club was considered a strong one, the Bearcats just proved themselves too much for them.

SHERMAN 9—DURANT 14

This game played at Sherman was a very poor exhibition of the Bearcats' style of play. To the spectators it seemed that the Bearcats were trying to see which one could foul the most.

SHERMAN 10—DURANT 21

The locals took a bad trouncing from their opponents because they lacked team work and seemed to be fighting the ball. The Bearcats just met their superiors and were out-classed.

SHERMAN 39—McKINNEY 11

The Bearcats jumped back into true form when they trounced the McKinney Lions. The whole squad seemed to hit the basket at will that night.

SHERMAN 34—GREENVILLE 38

This was the most exciting game ever played on the high school court, It was truly a nip and tuck battle with neither team getting the edge on the other until the last few seconds of play.

SHERMAN 28—GREENVILLE 32

The Bearcats journeyed to Greenville seeking revenge for their previous loss. They fought another battle only to be nosed out in the last minute of play.

SHERMAN 28—OAK CLIFF 9

The Bearcats outplayed and outclassed their big city visitors in every part of the game. The Cats took an early lead and had no trouble in keeping it.

SHERMAN 22—OAK CLIFF 16

For a second time the Bearcats drubbed the Leopards, but not so easily as before. It was mainly through a last minute spree by Arnold, who shot three rapid fire field goals, that the Bearcats were entitled to be called victors.

SHERMAN 48—McKINNEY 12

The Bearcats again dealt the Lions a most terrible defeat for the second game. Patton was scoring ace of the fray, counting twenty points. His fellow-cagers co-operated in contributing their share.

SHERMAN 14—DENISON 17

Sherman was behind the greater part of the battle until the last quarter when they took a one point lead. (14-13). With one minute to play the Jackets shot two rapid fire field goals, thus ending the game in their favor.

SHERMAN 21—DENISON 17

The Bearcats stated that revenge was sweet, when the Jackets were forced to accept defeat in a very exciting game. The impregnable defense and all around play of the Bearcats was the feature of the contest.

SHERMAN 25—DENISON 18

Truly the Bearcats were crowned county champs when they defeated their old enemy for a second time. The Bearcats led all the way, and displayed fine team work, in a furiously fought game that was a thriller from start to finish.

SHERMAN 19—GOBER 26

The Bearcats were considerably below par, and were clearly outplayed in this game. Although the Bearcats seemed to be fighting hard, they couldn't get their eyes on the basket.

SHERMAN 29—PARIS 31

When the Bearcats drew Paris at the district meet, they played their fastest and hardest fought game. The score was tied and one minute to go, when Paris looped a field goal to give them the decision.

SHERMAN 32—MT. VERNON 19

The Bearcats went into the contest with blood in their eyes and rolled up a large score which enabled them to advance to the semi-finals of the district meet.

SHERMAN 23—PARIS 25

The Bearcats again tackled Paris in a most exciting affair. In the last quarter Paris took a large lead, and as the Bearcats started gaining, the whistle blew, thus ending their season.

BOYS' BASKETBALL SQUAD

Mr. Verde Dickey and Mr. George Blair, Coaches.

Back Row—Coach Dickey, Tip Daniels, Manager, Vinton Gage, Sam Woodson, John Stephens, Jack Mitchell, Maurice Harper, Russell McLane, Coach Blair.

Front Row—T. J. Patton, Bill Arnold, Orvia Chastain, Lelmer Reynolds, Harold Vick, Kermit Boaz, Doc Hunter, Charlie Duval.

COUNTY CHAMPIONS

With four of last year's lettermen on hand and a number of somewhat experienced men and other good material to choose from, Coaches Dickey and Blair began basketball workouts as soon as possible. The start was delayed because of the lateness of our football season.

The climax of the whole season was winning the county championship. By the end of the season the players were really playing good ball. They furnished plenty of thrills at every game, and as a result of their good showing, had good crowds at all the games and plenty of support from the student body and local fans.

BOYS' TENNIS

Mr. M. H. Washam, Coach.

In the picture: Ramon Travis, Bill Medearis, Eugene Ellingson, Mr. Washam, coach.

Other entries: Clifford Hardwicke, Mike Key.

The game of tennis has, within the past few years, gained quite a hold on Sherman High students. In the boys' division Bill Medearis and Ramon Travis composed the doubles team while Mike Key and Eugene Ellingson alternated as singles players.

In the dual meet with McKinney which was held in Sherman, the doubles team, Ramon Travis and Bill Medearis, won from the McKinney team a smashing victory. Eugene Ellingson lost his singles match to the McKinney player and Clifford Hardwicke also lost in his singles match.

Playing at Van Alstyne in singles, Raymon Travis beat the Van Alstyne player, Archer Stinnett, and in the matches with Denton teams which were held in Sherman, Ramon Travis and Bill Medearis won from the Denton doubles team; Eugene Ellingson lost to the singles player from Denton.

COUNTY MEET

Sherman boys lost to Denison in both singles and doubles in the county meet. Ramon Travis and Bill Medearis lost to Jack Moore and Ralph Mosely, 6-4, 6-2, 6-3. Gene Ellingson lost to Jack Moore, the Denisun singles ace, 6-0, 6-1, 6-0. We are proud of the boys in spite of their defeat. They all worked hard during the year and they and their splendid coach, Mr. Washam, are to be commended for their efforts and work.

GIRLS' BASKETBALL SQUAD

Mrs. Paul T. Brown, Coach.

Top Row—Mary Joe McNeely, guard; Bonnie Sollis, forward; Captain Margaret Belden, jump center; Mrs. Brown, coach; Josephine Cook, jump center; Hazel Williams, guard; Lola Denny, running center.

Second Row—Helen McLane, guard; L. Clifford Reece, running center; Euna Mae Hill, forward; Opal Grigg, forward; Rachel Essin, forward; Willie Grace Lawson, guard.

Bottom Row—Lois Spraggins, running center; Tommie Chastain, guard; Rosalie Russell, forward; Ruth French, forward; Velma Watson, guard; Gwendolyn Morris, running center.

A SPLENDID SEASON

The Bearcats of 1932, although very inexperienced at the beginning of the season, completed a most gratifying series of games. Starting with only two lettered players and with other squad members of little or no experience, Mrs. Brown worked her team into a winning one, which lost only to champion sextets from other counties.

This season the Bearketts won ten out of the fifteen games played. They lost only two games to Celeste, one to Bailey, one to the ex-Bearbetts, and one to Highland Park (Dallas). They defeated Highland Park, Farmersville, St. Joseph's Academy, Tioga, Van Alstyne, and Whitesboro; they won double victories over McKinney, Collin County champions, and Dorchester.

GIRLS' BASKETBALL LETTER WINNERS

Margaret Belden, Captain

Belden, jump center, can easily be recognized as captain of the Bearketts, by her fine sportsmanship and consistent playing. Few times during the year has she failed to get the tip-off to start the game for the Ketts. The Ketts lose a faithful player next year in Belden, and they wish her luck in the future.

Lois Spraggins

Spraggins is one of the swiftest members of the team. She is outstanding for her high grade of sportsmanship. "Skeeter" has played run-center on the team for three years and we are glad to welcome her back again next year. The Ketts will always remember "Skeeter" and her excellent playing in the center.

Glendolyn Morris

This is Morris's first year with the Ketts. She has certainly proved herself to be a "scratching kitten." With more experience Morris will make the Ketts a very good player. We're for you, Morris!

Rachael Essin

Essin is with the Ketts for her first year—but they are very glad she is coming back again next year. When the Ketts get in a tight place Essin fights in her position probably stronger than she usually does. That's one of the good qualities she is remembered for. We wish her all the luck in the world for next year.

Euna Mae Hill

Hill is certainly O. K. when her basketball qualities are spoken of. She has made the team a very smooth and consistent player. Though she did not shoot a great many goals, she certainly co-operated with Griggs. We wish her luck again next year with the Ketts.

Opal Griggs

One can look at Griggs and tell she is a natural basketball player. She is certainly an unusual freshman as well as a remarkable basketball player. Her shots were accurate and her eye well trained for the basket Luck to you, Griggs.

Willie Grace Lawson

The Ketts never felt that their game had really begun until Lawson had fallen down once or twice. Nevertheless she is a remarkable player and the Ketts are proud of her. She gave her best in every game—that's the reason we're all proud of her.

Tommie Chastain

Basketball certainly seems to run in the Chastain family. This year "Thomas" has certainly showed by her actions on the court that she is worth her weight in gold. We are expecting Chastain to make a very remarkable player for Sherman High next year and we know she isn't going to disappoint us.

Helen McLane

McLane is another member of the team who has followed in the footsteps of an older member of the family tree. McLane is dependable and reliable for she never disappoints the Bearketts. She truly has that old Sherman High fight. Luck to you, McLane!

Hazel Williams

We regret that Williams isn't going to join the Bearketts again next year. This year she joined their ranks as a new and inexperienced player, but in the end she came out with flying colors. She's smooth and consistent in her playing. We hate to lose her but we know some college is going to welcome her. "Feliz casualidad," Williams!

GIRLS' BASKETBALL GAMES

SAINT JOSEPH'S 15—BEARKETTS 24

Everyone was anxious to see this first game of the season as we had never seen Coach Brown's new team in action. In spite of the fact that the visitors made the first goal, the Bearketts got in the lead and led the scoring all the way.

VAN ALSTYNE 14—BEARKETTS 44

The Bearketts remember the Van Alstyne game because of its moral effects instead of the number of points they piled up. This is only Van's second year in the basketball field, but the visitors tried hard and played clean basketball.

DORCHESTER 21—BEARKETTS 34

The Ketts added another victory to their list when they met the Dorchester sextet on the Sherman High court. The game was fast and exciting. The local girls were given fast competition because Dorchester brought a jump center who was much taller than Captain Belden, and hence put the Ketts at a disadvantage.

WHITESBORO 34—BEARKETTS 42

Even though the visiting girls were enthusiastic, our Bearketts are sure winners when they get down to business, and in the end the Ketts were ahead with 8 points. Russell led the scoring in the game and the girls were led to victory by her outstanding playing and sportsmanship.

HIGHLAND PARK 34—BEARKETTS 29

The Ketts played the two-division type of basketball in Dallas, a game that was new to nearly all of the Sherman girls. There were no hard feelings over the game, and the Ketts tell us that the Highland Park girls are grand sports.

FARMERSVILLE 28—BEARKETTS 34

The Ketts dedicated this game to Mr. Speer. This championship aggregation met the Bearketts on the Sherman High court; the game was fast and furious, but the local girls were just too much for them. The Ketts fought hard every minute of the game showing what kind of fighting spirit they had.

CELESTE 32—BEARKETTS 12

Celeste boasts a good team and the Bearketts are aware of this fact. The Ketts did not put forth their usual style of basketball in this game and they think it is one thing they would like to forget. It seems Spraggins was the only Kett who played as she usually did.

CELESTE 20—BEARKETTS 9

The Ketts tried hard to redeem themselves of their previous game with Celeste. Though they did not win, they gave the Devilenas a surprise. The guards, especially Chastain, turned in good games. The Devilenas were unable to make a single shot register the whole last quarter.

TIOGA 31—BEARKETTS 38

The Tioga game shall be remembered by all the Kett squad because every one of the members played. The girls played a fast and consistent game. Cook substituted for Belden and held down the center post well during the third quarter.

McKINNEY 27—BEARKETTS 27

The Collin County girls came to meet the Bearketts undefeated. They played the Ketts a great game. The local girls played excellently and their good team work was greatly shown. The guards played great games. Grigg piled up the most number of points, yet the score was tied.

HIGHLAND PARK 33—BEARKETTS 38

The Sherman Ketts swept to victory over the Highland Park High sextet in a thrilling game on the Sherman court. The game was dedicated to Captain Belden who, just up from an illness, sat on the side lines to see her mates win. Hill played a great game in Belden's place.

BAILEY 54—BEARKETTS 21

After the first quarter the visitors easily ran out a 54 to 21 victory. Grigg had the most success hitting the basket for the Ketts, getting 12 points. McNeely, a substitute guard, was put in by Mrs. Brown the last quarter and played her position better than any other member of the squad.

McKINNEY 18—BEARKETTS 20

It had been predicted that the Bearketts would bow to the force of the Lionesses but the one who said that was certainly disappointed. The Ketts played a good game. Not for one instant did their enthusiasm fail them and in the end they were victorious.

DORCHESTER 21—BEARKETTS 28

The Ketts finished the season with a 28-21 win over Dorchester on the local court before a good sized crowd. The local cagers led the scoring all through the game, and both the regulars and the substitutes, who played much of the game, turned in creditable performances.

GIRLS' TENNIS

Miss Fay Noble, Coach.

Back Row—Nina Evelyn Cole, Fayrene Knight, Pauline O'Hara, Gwendolyn Cotten, Rebecca Sterling, Miss Noble.

Bottom Row—Margaret Giddens, Mary Frances Sutherland, Elizabeth Oslin, Amatine Mercer, Mary Lillian Evans, Henrietta Francis, Harriet Brame.

For the third consecutive year the girls' tennis players have had a highly successful season under the sympathetic guidance and supervision of Miss Fay Noble, coach. There were a large number of entries and much enthusiasm was shown in the game.

In the first meet of the season with the McKinney girls here, the Sherman girls won all matches; the Sherman doubles team, composed of Henrietta Francis and Margaret Giddens, won from their opponents; also in two singles matches, Rebecca Sterling, Sherman's singles star, and Elizabeth Oslin both won from their opponents.

In additional meets with Van Alstyne here and with Denton at Denton, the girls won every match. The doubles team in both contests was composed of Margaret Giddens and Henrietta Francis, and the singles player was Rebecca Sterling.

WIN COUNTY HONORS

The feature tennis match in this meet was won by the Sherman girls' doubles team. After having dropped one set and lost three games on the second set, Henrietta Francis and Margaret Giddens staged a whirlwind finish to take from Denison the second and third sets to win the county event. The score was 4-6, 6-4, 6-0. Rebecca Sterling overcame her Denison singles opponent to win the county title also.

WIN SINGLES IN DISTRICT

At the district meet at Paris, Rebecca Sterling, Sherman's stellar singles player, won over Mabel Sanders of Midway, in the finals with scores of 6-4, 6-2. We predict that Rebecca's splendid playing will carry her far into the state meet. Best luck, Becky!

Margaret Giddens and Gwendolyn Cotten, representing Sherman in doubles, lost to the team from Biardstown. Gwendolyn Cotten was substituting for Henrietta Francis, regular doubles partner, who was out because of a badly burned hand.

INTERSCHOLASTIC HONORS

COUNTY LITERARY EVENTS

In addition to the debates, the following events were won:

Boys' Declamation ..... Mike Key
Boys' Extemporaneous Speech ..... Levis Hall
Girls' Extemporaneous Speech ..... Mary Elizabeth Gibson

Sherman won both boys' and girls' playground ball from Denison, as well as the track and field meet. (Write-up on track page.)

WIN ALL-ROUND DISTRICT HONORS

Winning all-round district championship for the second straight year, Sherman High School is again justly proud of all contestants in the various events. In the literary events, Sherman captured boys' and girls' debate, boys' and girls' extemporaneous speech, essay writing, and won third place in boys' declamation. The contestants in these events were the same students who represented Sherman High in the County Meet.

BEARCATS WIN DISTRICT TRACK MEET

In the district meet at Paris, the Bearcats again won the track and field meet. Sherman presented a well balanced team which included several outstanding individual stars. Two new records were set personally by Reynolds in the shot put, distance 48 feet, 8 inches, and the discus throw, distance 125 feet, 5 inches; and Vick, captain of the team, shattered the half-mile record by setting the new time of 2:3.7 as compared to the old time of 2:08. Blankenship of Sherman tied with V. Kyle of Cunningham to set a new pole vault record of 10 feet, 11 inches. The Bearcat relay team of Mitchell, Reynolds, N. Cox, and Vick set a new record in the mile relay, the new time being 3:38.4 as compared to the old record of 3:41 held by Denison.

Places won in the other events by Sherman: 120 yard high hurdles—McLane, second; Gage, fourth. 100 yard dash—Poole, second; Spear fourth. 220 yard low hurdles—Spear, first; McLane, third. 440 yard dash—Reynolds, first. 220 yard dash—Poole, second: Vick, third; Mitchell, fourth. High jump—Walling, tied for fourth.

F. F. A. WIN STATE CHAMPIONSHIP

The plant production team of the Sherman Chapter of F. F. A., composed of Roy Dalton, Vinton Gage, and Burl Archer, for the second straight year won the state championship at the fifteenth annual Smith-Hughes judging contests held at Texas A. & M. College in April. Roy Dalton was high point man in the contest.

This team won also in the plant propagation contest. The Sherman dairy team, composed of Lelmer Reynolds, Jack Griswold, and Lawrence Bennett, placed among the high 10 in dairy judging, doing their best work judging Holstein cattle.

Sherman High is especially proud of the showing made by these boys because 343 teams competed in the contests, and this year is only the second year of the agriculture department's existence in Sherman High. We claim that Mr. Reynolds and his boys really "know their stuff!"
